

GHANA-CHINA EXPORT SOLUTION

Connecting Ghanaian businesses to Asia for seamless and secure exports

Connecting you to export opportunities in Asia
As your financial bridge to Asia, GCB Bank connects Ghanaian businesses to credible buyers and market opportunities across China and the wider Asian region. Through our strong partnerships and deep understanding of Ghana’s business environment, we enable secure, **efficient, and scalable exports.**

We support clients exporting:

- Processed cocoa & chocolate
- Value-added cashew & packaged foods
- Cosmetics, shea & wellness products
- Garments, textiles & handicrafts
- Processed seafood & herbal goods

Challenges you may face as an exporter to Asia

- Exporting to China and Asia can come with real challenges such as:
- Limited access to reliable buyers and distribution channels
 - Complex export and Chinese import regulations (e.g. certifications, protocols)
 - Difficulty accessing affordable financing to fulfill large orders
 - Logistics challenges and delays in shipment and delivery
 - Delayed payments and foreign exchange risks
 - Limited visibility and control over the export process

Let us assist you with:

- Connecting you to verified buyers/importers in China and Asia
 - Manage language barriers in dealing with Asian Importers
 - Understanding export requirements and compliance protocols
 - Access to affordable export financing and working capital to process and fulfill large orders
 - Support with pre-shipment documentation and export readiness
 - Managing logistics and shipment processes
 - Processing export documentation and trade instruments (LCs)
 - Receiving your export payments securely and on time
- Competitive FX solutions to protect your margins and grow your business

Our Promise

“As your financial bridge, we connect your business to Asia and enable seamless, secure exports for growth.”
